

## 2008 SPONSORSHIP

Sponsorship assists our Club to provide team training kits, playing strip, balls, grounds maintenance, new equipment and a large variety of resources for the Club and players. Collaroy Cromer Strikers FC encourages all families to support the business that support our Club and players, and we would like to thank the following sponsors for the 2008 season. Do not forget to mention your Strikers Club when purchasing from these businesses to show them our support.

## Sponsor Promotions

### Carr's Cars

Carr's Cars is a type of boutique and unusual style of vehicle sales dealership where it is bordering on a self-service basis. Let us explain.

We have around 12 (mostly commercial) vehicles displayed at 245 Pittwater Road, Manly (next to the RTA), and people can freely come and see these vehicles without having a salesman hover over them. If there is something that does catch your eye, then you can give Paul Carr a call and he will gladly make a convenient appointment for a test drive, value a trade-in or help with some finance matters.

Carr's Cars will also locate any vehicle that you may be looking for as Paul has over 20 years knowledge of the industry as well as countless helpful contacts. There are also lots of other vehicles stored off site waiting to replace the sold ones.

So why not contact Paul a call:  
245 Pittwater Rd, Manly, 2095  
Ph: 9977 7222  
Mob: 0418 227 141  
Email: [carrscars@bigpond.com](mailto:carrscars@bigpond.com)

### Image Sound & Security

Image Sound & Security can create almost any environment that you desire for your audio/visual or home automation requirements.

At Image Sound & Security we custom design your home audio system to your budget.

Our specialised staff can work closely with cabinet designers, interior designers and architects to design and install anything from a basic music system in your living room through to a dedicated home theatre room or simply through to music throughout your entire home.

Image Sound & Security also specialise in security systems, CCTV systems, 24hr back-to-base monitoring and intercom systems.

Any enquiries, please contact:  
Mario or Annina Roperti  
Office: (02) 9451 8266
