

## 2008 SPONSORSHIP

Sponsorship assists our Club to provide team training kits, playing strip, balls, grounds maintenance, new equipment and a large variety of resources for the Club and players. Collaroy Cromer Strikers FC encourages all families to support the business that support our Club and players, and we would like to thank the following sponsors for the 2008 season. Do not forget to mention your Strikers Club when purchasing from these businesses to show them our support.

## Sponsor Promotions

### **The Fire Company**

The EcoSmart™ Fire is an Australian innovation - an environmentally friendly open fireplace. The EcoSmart™ Fire is flueless and does not require any installation or utility connection for fuel supply, which makes it ideal for just about any architectural environment. Fuelled by a renewable modern energy (Denatured Ethanol), it burns clean and is virtually maintenance free. Featuring remarkable design flexibility, the simplicity of the EcoSmart™ burner and the modular nature of its design grants consumers with significant versatility and choice.

EcoSmart™ Fires are igniting the global design scene:

- new concept of open fireplace
- no flue, no hard connection
- efficient and effective heating solution
- independently tested
- ideal for apartments, houses, bars, restaurants and offices
- unprecedented design flexibility
- environmentally friendly
- fuelled by a renewable green energy
- you can regulate the flame and turn it on/off at any time.

### **MGS Physiotherapy**

# MGS

MGS Physiotherapy has been established on the Northern Beaches for the past 17 years. The practice's principals have been associated with CC Strikers for several years and are currently coaching two of the junior teams.

MGS Physiotherapy are modern physiotherapy clinics with a knowledgeable team of physiotherapists, specialising in "hands on" treatment and "self help" exercise prescription for all people and any type of physical condition, pain and injury. They adopt a "one on one" approach to treatments and assessments. The patient has their physiotherapist's full attention for the entire 30 minutes without interruption, allowing the treating practitioner to utilise their skills in massage therapy, manipulation and mobilisation and exercise prescription to enable fast results and encourage good patient compliance with "self help" home programs.

All of the MGS Physiotherapists have had many years of Sports Team coverage experience along with NSWIS Elite Sports coverage. They have seen the many types of injuries occurring on the Sports field or as a result of overtraining or poor biomechanics, and are well rehearsed in helping the patient get back on the field as soon as possible.

MGS Physiotherapy service can be accessed from either of the two practices located in Manly or Mona Vale. If you have been suffering with a recurring injury or even just a niggles of pain which is not resolving, call for an appointment at either number listed below or find out more about the practices by visiting: [www.mgsphysio.com.au](http://www.mgsphysio.com.au)
